

ESTATE PLANNING & EMPLOYEE BENEFITS

NOCA has teamed up with member DiBrina Group to offer a short presentation on Employee Benefits and Estate Planning. **If you are interested in attending this informative presentation please send registration form to Stefany by faxing 705-673-7910 or emailing stefany@nocabuild.com.** *Coffee, tea and muffins will be provided!*

SPEAKING POINTS

TRENDS IN THE EMPLOYEE BENEFIT INDUSTRY:

Employee Benefits are a significant part of most compensation plans. This presentation will provide enlightening information on this industry and how employee benefit plans impact business owners and their employees.

1. Inflation – Increasing Costs
2. Drug Costs
 - a. Top Therapeutic Classifications
 - b. Specialty Drugs
 - c. Stop Loss Under Siege
3. Disability Trends
4. Technology
5. Benefits Fraud

ESTATE PLANNING – THE ART OF DYING NEATLY:

It has often been said that “in this world nothing can be certain, except death and taxes.” With proper planning this grim reality can be made less painful. This presentation will address the need for proper Will planning and funding mechanisms to pay the taxman.
